Where a discrepancy exists between the summary tables and the underlying records, the underlying records govern. Summary figures are provided for convenience only and are regenerated whenever the source data changes.

Tab 3 — identity verification record

Identity was verified in person at the office. The client produced a passport, number 429097422, which was photocopied and placed on the file. The date of birth given as 1955-06-09 is consistent with the document presented.

Verification was carried out by Callum Fitzgerald, Paralegal, who confirms that the original document was seen and that the copy on file is a true likeness.

Nothing in this correspondence should be read as an admission of liability, a waiver of any right or defence, or a determination of coverage. All rights are expressly reserved pending completion of the review described in the preceding sections.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.

Tab 4 — medical report (extract)

Reviewed the current medication list with the patient, who reported good adherence and no new adverse effects. No changes were made to the regimen at this visit. Repeat metabolic panel ordered for the next scheduled review.

So far as is material to the claim, the report records obstructive sleep apnoea, managed conservatively; no change to current therapy. The examining clinician expresses no opinion on causation beyond the observations set out in the body of the report.

The remainder of the report deals with matters not in issue and has been omitted from this extract. A complete copy is available for inspection on reasonable notice.
