

Riverbend Health — Consolidated Patient Record

Record assembled ENC-2023-913378 · medical record number MRN6139730 · printed for internal review

This record consolidates the registration data, encounter notes, results and billing entries held for the patient named below. It supersedes any partial extract previously circulated.

1. Registration

Patient of record: **Julie Lacey Rivera**, date of birth 1998-01-05. The patient resides at 46187 James Ville, Lisatown, DE 94175 and confirmed at check-in that this address remains current for correspondence and for the mailing of after-visit summaries.

The patient is best reached on 001-379-725-1327 during business hours and has opted in to portal messaging, delivered to julie.rivera17@gmail.com. Interpreter services were not required.

Registration verified against photo identification presented at the desk. No discrepancy noted between the presented document and the record.

For coordination of benefits the registrar recorded that the social security number on file is 585-09-1495; this was read back and confirmed. The patient declined to supply a secondary insurer at this time.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Processing timelines quoted in this document are estimates based on standard workload and do not constitute a contractual commitment. Where a statutory deadline applies, that deadline governs and takes precedence over any interval described here.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.

2. Encounter narrative

Patient presented ambulatory and in no acute distress. Vital signs were within normal limits at triage. Orientation to person, place and time was intact throughout the encounter and no acute neurological deficit was observed.

Wound site inspected; no erythema, discharge or dehiscence. Dressing changed using aseptic technique. Advised to keep the area dry for a further 48 hours and to return sooner if fever develops.

Clinical impression at the close of the encounter was eczema, newly diagnosed; repeat bloods in three months. The plan was discussed with the patient, who agreed to the proposed follow-up interval and was given written instructions to take home.

Nursing observations were recorded by Marlene Okonjo, Claims Adjuster, who noted no concerns at discharge. Physiotherapy input was provided by Nadia Sorenson and is filed under the same encounter reference.

Staff contact for queries on this encounter: m.okonjo@meridianclaims.example, direct line (312) 555-0148. Do not share staff direct lines with patients.

Processing timelines quoted in this document are estimates based on standard workload and do not constitute a contractual commitment. Where a statutory deadline applies, that deadline governs and takes precedence over any interval described here.

This document and any attachments are confidential and intended solely for the named recipient. If you have received it in error, notify the sender and destroy all copies. Retention of this record is governed by the schedule in force at the time of creation and may be subject to legal hold.

3. Results summary

The following results were finalised and released to the record. Reference ranges are those of the performing laboratory and may differ between sites.

Test	Result	Units	Reference	Status
Haemoglobin	14.6	g/dL	11.5 - 16.5	Final
White cell count	6.9	x10 ⁹ /L	4.0 - 11.0	Final
Creatinine	58	umol/L	60 - 110	Final
HbA1c	5.4	%	< 6.0	Final
Vitamin D	35	nmol/L	50 - 125	Final

Nothing in this correspondence should be read as an admission of liability, a waiver of any right or defence, or a determination of coverage. All rights are expressly reserved pending completion of the review described in the preceding sections.

4. Account and billing

The self-pay balance for this encounter was settled by direct debit against the account ending 071953 held on the patient's billing profile. No further action is required from the patient.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.
