

Meridian Claims — First Notice of Loss and Adjuster File

Claim CLM-2023-884894 · motor · single vehicle · no third-party injury reported

Notice was taken by telephone. The caller identified himself as the policyholder and named claimant D. Ibarra, and produced licence U46685332 when the vehicle was inspected two days later.

The account below is the adjuster's contemporaneous note and has not been edited for style. Times are local to the reporting office.

The vehicle is garaged overnight at 206 Frazier Wells, Spencerview, PW 75482, which matches the rating address held on the policy. A call back was arranged on 2346281139 for the following morning.

Verification

Identity was verified against the policy record using the last four of the social, 0486, together with the date of birth held on file, 1942-10-18. Both matched. Full identifiers were not requested by telephone and are not recorded in this note.

Item	Amount	Status
Repair estimate	\$5,725	Approved
Excess applied	\$500	Deducted
Hire vehicle	\$360	Approved
Total authorised	\$2,814	Pending payment

Nothing in this correspondence should be read as an admission of liability, a waiver of any right or defence, or a determination of coverage. All rights are expressly reserved pending completion of the review described in the preceding sections.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.

Processing timelines quoted in this document are estimates based on standard workload and do not constitute a contractual commitment. Where a statutory deadline applies, that deadline governs and takes precedence over any interval described here.

Payment authorisation

The excess was collected by card at the time of authorisation. The card terminal receipt shows only the last four digits, 6232, but the payment processor log retained the full PAN 9999843624186232 against the transaction, which is the exposure recorded on this file.
