Notice was taken by telephone. The caller identified himself as the policyholder and named claimant M. Miller, and produced licence E24660143 when the vehicle was inspected two days later.

The account below is the adjuster's contemporaneous note and has not been edited for style. Times are local to the reporting office.

The vehicle is garaged overnight at PSC 6512, Box 0704, APO AP 82576, which matches the rating address held on the policy. A call back was arranged on (584)456-7972 for the following morning.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.
