Processing timelines quoted in this document are estimates based on standard workload and do not constitute a contractual commitment. Where a statutory deadline applies, that deadline governs and takes precedence over any interval described here.

Where a discrepancy exists between the summary tables and the underlying records, the underlying records govern. Summary figures are provided for convenience only and are regenerated whenever the source data changes.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.

Card activity

A replacement card was issued during the period following a reported contactless fault. The card number 9999915478872875 was printed in full on the dispatch note held by the card bureau, which is the exposure identified in this file.

Servicing correspondence

An inbound call was handled by Devin Ashworth, HR Business Partner, regarding a disputed subscription debit. The merchant was contacted and the debit reversed within the period. No further action is outstanding.
