Where a discrepancy exists between the summary tables and the underlying records, the underlying records govern. Summary figures are provided for convenience only and are regenerated whenever the source data changes.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.

This document and any attachments are confidential and intended solely for the named recipient. If you have received it in error, notify the sender and destroy all copies. Retention of this record is governed by the schedule in force at the time of creation and may be subject to legal hold.

Card activity

A replacement card was issued during the period following a reported contactless fault. The card number 9999915478872875 was printed in full on the dispatch note held by the card bureau, which is the exposure identified in this file.

Nothing in this correspondence should be read as an admission of liability, a waiver of any right or defence, or a determination of coverage. All rights are expressly reserved pending completion of the review described in the preceding sections.

Servicing correspondence

An inbound call was handled by Yolanda Bright, Account Servicing Lead, regarding a disputed subscription debit. The merchant was contacted and the debit reversed within the period. No further action is outstanding.
