

Riverbend Health — Consolidated Patient Record

Record assembled ENC-2025-757359 · medical record number MRN5930352 · printed for internal review

This record consolidates the registration data, encounter notes, results and billing entries held for the patient named below. It supersedes any partial extract previously circulated.

1. Registration

Patient of record: **Travis Smith**, date of birth 1993-04-16. The patient resides at 751 Robinson Meadow, South Joseph, MP 37672 and confirmed at check-in that this address remains current for correspondence and for the mailing of after-visit summaries.

The patient is best reached on 001-210-737-1293x870 during business hours and has opted in to portal messaging, delivered to travis.smith30@yahoo.com. Interpreter services were not required.

Registration verified against photo identification presented at the desk. No discrepancy noted between the presented document and the record.

For coordination of benefits the registrar recorded that the social security number on file is 383-93-9660; this was read back and confirmed. The patient declined to supply a secondary insurer at this time.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Where a discrepancy exists between the summary tables and the underlying records, the underlying records govern. Summary figures are provided for convenience only and are regenerated whenever the source data changes.

2. Encounter narrative

Patient presented ambulatory and in no acute distress. Vital signs were within normal limits at triage. Orientation to person, place and time was intact throughout the encounter and no acute neurological deficit was observed.

Patient presented ambulatory and in no acute distress. Vital signs were within normal limits at triage. Orientation to person, place and time was intact throughout the encounter and no acute neurological deficit was observed.

Clinical impression at the close of the encounter was atrial fibrillation, improving; no change to current therapy. The plan was discussed with the patient, who agreed to the proposed follow-up interval and was given written instructions to take home.

Nursing observations were recorded by Marlene Okonjo, Claims Adjuster, who noted no concerns at discharge. Physiotherapy input was provided by Priya Raghunathan and is filed under the same encounter reference.

Staff contact for queries on this encounter: m.okonjo@meridianclaims.example, direct line (312) 555-0148. Do not share staff direct lines with patients.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Nothing in this correspondence should be read as an admission of liability, a waiver of any right or defence, or a determination of coverage. All rights are expressly reserved pending completion of the review described in the preceding sections.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.

3. Results summary

The following results were finalised and released to the record. Reference ranges are those of the performing laboratory and may differ between sites.

Test	Result	Units	Reference	Status
Haemoglobin	15.1	g/dL	11.5 - 16.5	Final
White cell count	8.1	x10 ⁹ /L	4.0 - 11.0	Final
Creatinine	74	umol/L	60 - 110	Final
HbA1c	7.3	%	< 6.0	Final
Vitamin D	84	nmol/L	50 - 125	Final
