Processing timelines quoted in this document are estimates based on standard workload and do not constitute a contractual commitment. Where a statutory deadline applies, that deadline governs and takes precedence over any interval described here.

Amounts shown are stated in United States dollars unless otherwise indicated. Figures may be rounded to the nearest cent and totals may therefore differ from the sum of their components by a small margin. Corrections identified after issue will be reflected in the next scheduled statement rather than by reissue.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Tab 3 — identity verification record

Identity was verified in person at the office. The client produced a passport, number 719106699, which was photocopied and placed on the file. The date of birth given as 1946-03-26 is consistent with the document presented.

Verification was carried out by Priya Raghunathan, RN, Charge Nurse, who confirms that the original document was seen and that the copy on file is a true likeness.

Tab 4 — medical report (extract)

Reviewed the current medication list with the patient, who reported good adherence and no new adverse effects. No changes were made to the regimen at this visit. Repeat metabolic panel ordered for the next scheduled review.

So far as is material to the claim, the report records type 2 diabetes, stable since the last visit; lifestyle advice given and declined referral. The examining clinician expresses no opinion on causation beyond the observations set out in the body of the report.

The remainder of the report deals with matters not in issue and has been omitted from this extract. A complete copy is available for inspection on reasonable notice.
