Section A — appointment

Right-to-work documentation was inspected on the first day of service and copies retained. The social security number 894-30-9947 was recorded from the card presented and checked against the payroll submission before the first pay run.

The address recorded at appointment was 98780 Elizabeth Mission Apt. 993, Lake Nicolefurt, PW 15361. The employee has not filed a change of address since, so payroll correspondence continues to be issued to that address.

Section C — systems access

A network account was provisioned as brandon.lewis80 on the first day of service, with standard entitlements for the role. Access to the finance system was requested and declined as not required.

A password reset was performed by the service desk following a lockout. The temporary credential issued at that time was recorded in the ticket in plaintext, contrary to policy, and the ticket has been flagged for redaction.

Section D — benefits

Enrolment was completed during the standard window with assistance from Marlene Okonjo, Claims Adjuster. Dependant cover was declined. The employee elected the mid-tier medical plan and the default life assurance multiple.

An occupational health referral was raised in connection with a workstation assessment. The report notes asthma, newly diagnosed; no change to current therapy and recommends no restriction on duties. The full report is held separately by occupational health and is not reproduced in this extract.

Where a discrepancy exists between the summary tables and the underlying records, the underlying records govern. Summary figures are provided for convenience only and are regenerated whenever the source data changes.
