Tab 3 — identity verification record

Identity was verified in person at the office. The client produced a passport, number 685823118, which was photocopied and placed on the file. The date of birth given as 1945-04-04 is consistent with the document presented.

Verification was carried out by Errol Vance, Field Investigator, who confirms that the original document was seen and that the copy on file is a true likeness.

Errol Vance · e.vance@meridianclaims.example · (312) 555-0156

Where a discrepancy exists between the summary tables and the underlying records, the underlying records govern. Summary figures are provided for convenience only and are regenerated whenever the source data changes.

Questions about the content of this file should be directed to the case owner identified on the cover page. Requests for copies must be made in writing and may be subject to a reasonable reproduction fee. Allow ten business days.

Tab 4 — medical report (extract)

Wound site inspected; no erythema, discharge or dehiscence. Dressing changed using aseptic technique. Advised to keep the area dry for a further 48 hours and to return sooner if fever develops.

So far as is material to the claim, the report records essential hypertension, improving; lifestyle advice given and declined referral. The examining clinician expresses no opinion on causation beyond the observations set out in the body of the report.

The remainder of the report deals with matters not in issue and has been omitted from this extract. A complete copy is available for inspection on reasonable notice.
